SUMMER BASH

Organized by the community for the community, the Summer Bash has grown to be one of Regina's largest summer festivals and community celebrations. So much more than a one day event, the Summer Bash hopes to foster a stronger sense of community as we celebrate our diversity and build connections with our neighbours and the businesses and organizations that operate nearby.

The Summer Bash is organized with six foundational pillars:

Cultural Discovery

Our diversity is our strength and we hope to encourage cultural discovery and intercultural dialogue with a focus on advancing our shared journey for truth and reconciliation

Celebration of Arts

Opportunities for all to participate in creative discovery and expressive arts and to celebrate the talents of artisans in our community.

Impactful Education

Creating opportunities for all to expand our knowledge of the world, our community, and ourselves with a focus on promoting curiosity and discovery.

Healthy Bodies

Promoting physical activity, a healthy diet, and opportunities to participate in both structured and unstructured play to improve physical and mental well-being

Community Connection

We're all about creating connections between neighbours and with the organizations that call our great city home to foster a stronger sense of community

Supporting Local

Regina is an incredible city and we want to showcase all of the amazing people and organizations that add to the vibrancy of our community for all to enjoy
